If you’re getting to DC on your own

We are tracking everyone that is going so that we can provide you with important information including where to meet the Illinois delegation on the day of the march. Go to the registration link above or use the QR code and fill out the Sign Up Form. Indicate that you are arranging your own transportation.

Information about riding the bus

• We will be using a bus ride share company called Rally.

• The cost for a round trip on the bus depends on where you are traveling from. An estimated cost for leaving from the Chicago area is $150. Need financial assistance? See below.

• The buses will leave early evening on Friday, June 19, and return early morning June 21. The bus will drive straight there and straight back with no overnight stops.

• There are bathrooms on the bus, and there will be opportunities to stop and get off the bus. Some food will be provided. You will be contacted with specific information before the trip.

How to sign up for the bus- A TWO PART PROCESS

PART 1. Let the Registration Team know you’re going! Go to the link above or use the QR code to get to the Sign Up Form. This form lets us know that you are going, but doesn’t reserve a place for you on the bus. We will be contacting every person who signs up to make sure you have all the information you need.

PART 2. Sign up for the bus. Go to https://rally.co/poor-peoples-assembly to reserve your seat on the bus. This link is also on the Sign Up Form page.

• In order to complete the process, you will be asked for credit card information. You will not be charged until the bus fills up, and will be notified before they charge your card.

• For family members or friends traveling together, each person must register separately. We will be contacting you and will make sure you are the same bus.

Financial assistance

If you need financial assistance, on the Sign Up Form, under “What can you afford” mark: “I need a discount code to help offset the cost of my ride on Rally.” You will be contacted and given a discount code. Don’t sign up for the bus until you have received the code.
